עיוני תפילה	<p>עיוני תפילה By: R' Yossi Phillip</p> <p>מָרַע - אֱלֹקֵינוּ, נְצוֹר לְשׁוֹנֵי מָרַע - We ask Hashem to guard our tongue from evil. The <i>Chafetz Chaim</i> notes, we find a <i>balachah</i> in the <i>Torah</i> concerning of <i>perikah u'te'inah</i>, loading and unloading, an animal that has fallen under its burden. If the owner of the animal/load helps, then one must work to lift the animal and burden. If, however, he sits back and “allows” you to complete the mitzvah by yourself, you are not responsible to lift the burden. Why should protection from <i>lashon hora</i> be any different? When we ask Hashem to help us in guarding our tongues from evil, He will respond, “Help Me, work alongside Me, and together We will triumph over lashon hora.” Otherwise, we have no right to ask, and Hashem has no requisite to help us.</p>
